

NORTH DURHAM UNITED FC

The trial sessions for NDUFC competitive teams are back but with a different look this year to ensure compliance with Provincial and Regional pandemic protocols and heightened health & safety measures.

Trials will be held during the week of October 12 - 16, 2020 at the Scugog Soccer Fields in Port Perry.

REGISTRATION

Trials are free of charge, however, all players not currently playing with NDUFC must pre-register with the Club prior to attending any trial sessions. Please provide the birth year of your child to indicate the age group/team for the 2021 season.

The Pre-Registration form can be found using the link directly below. Also required this year is completion of a Declaration and a Waiver. These forms can be found on the club's website under the trials/trypouts tab and should be brought to the fields on the first day of trials.

SELF-ASSESSMENT AND TRACING

Players will need to complete a Wellness Self-Assessment online form and provide contact tracing information prior to attending each and every trial session. This form can be found using the link directly below

Proof of completion of the wellness self-assessment form must be shown to the Field Marshal staff at the entry gate for admittance to the fields. Please show the verification email on your device and refrain from bringing a paper copy to the fields.

Make sure to have the confirmation email ready for the Field Marshal staff to verify when you arrive at the field gate with your player. This is further explained below under process.
